Page 2 8 comments January 26, 09, 04:44 PM #1 Pipers I've heard Black Watch play Dougie MacLean's Caledonia on tap with a regiment band supporting them. They asked me to try and find scores for pipes and bands. Anyone has an idea where to look? Thank you in advance. Last edited by Westie97: January 26, 09 at 07:29 PM. Stan, steve good morning Steve, Yes, pardon my spelling, but it's a song. Watch a film about the battle of zulu in Drift Roarke where the army th besided singing numbers and can't help but think it will sound great on the pipe. However I was desperate to find a score for it. I really appreciate one copy.
